Dear Fellow Tennessee Skeet Shooter,

It's that time of year to begin your preparations for the 2011 Tennessee State Skeet Championships. This year's event will be held August 26-28, 2011 in Arlington, TN, at the Memphis Sport Shooting Association. We look forward to seeing all of you there and **please make an effort to** bring a shooter with you. The club is located at 9428 Old Brownsville Road Arlington, TN 38002-3924 (901) 867-8277

Please review this letter and determine the rotation and gauges you wish to shoot. The TSSA board & club directors voted to organize the shoot as a 2 ½ day event with 3 rotations & 5 man squads so that the shoot is able to accommodate most shooter requests. In order to maximize resources we will be using a limited number of fields, and we will not open additional fields to accommodate 1st or 2nd choices until all of the rotations are filled to capacity. So the key is to pre-register early.

Practice fields will be will available throughout the weekend space permitting.

Your pre-registration on the accompanying form will expedite the service you receive in the registration line. For those of you arriving in town early; the registration desk will be open beginning just after 11:30am CST Friday. The club is open at 8am CST so come early and shoot some practice. The registration desk will close at 6pm CST (Friday) to prepare for Doubles shootoffs. The registration desk will reopen Saturday & Sunday morning sometime around 7:30am CST.

The club director's meeting that will take place immediately after shootoffs are completed on Friday night. All club directors/representatives are reminded to attend. The major agenda item (as usual) will be to discuss and vote on the location and date for the 2011 State Shoot.

Targets will be **\$46** per 100 including all fees.

Optional Age/Team Concurrent's are honors only (i.e. SJ, TS, etc.)

The Optional Class Purse and Handicap Purses are **\$10** per 100

All optional event tables will be available for review in the shoot brochure or at time of registration.

The pre-squad form & **\$50** deposit (per shooter) is required by **August 12st**. No refund after this **date**. Shooters wishing to shoot together **MUST** send squad information and deposits together—**NO EXCEPTIONS**.

Space is filled first-come first-serve based on postmark on the entry form received as long as the proper deposit has been included. Please don't wait until the last minute to submit your squadding forms, and when you send it in please make sure that all of the requested information is provided.

Even though the shoot rarely fills up 1st choices, squad requests (when not sent together) or other special requests are difficult to accommodate as the shoot date gets closer and closer. 4 gun shooters will be given priority for squadding and rotation choices, but this is not a license to be lazy in regards to pre-registering for the state shoot. On the rare occasion, single gun shooters may be moved or reassigned at the discretion of shoot management prior to the event (if necessary). Feel free to contact me if you are not sure about your pre-registration status – I am more than happy to take friendly phone calls. You may also contact me via email at skeetwebdude@gmail.com with questions.

Squad confirmations will go out via postal mail beginning around the 5th-6th of August and only for those whose entry forms have been delivered to the TSSA Address listed on the pre-registration form. We will be using the address that is on file with NSSA so please make sure its current. After August 5th squad confirmations will go out about every 3rd day until August 19th.

For Pre-Registrations received after August 19th, we will do our best to send out squad confirmations ASAP prior to the shoot. At minimum a summary of received Pre-Registration's received will be posted under the **State Shoot** page of the tnskeet.org website. Time permitting, you or your main squad contact will be provided with squadding information via a phone call or email instead of a postcard.

And finally, in an effort to trim some cost out of the state shoot a paper version of the approximately 30+ page shoot program will not be created and mailed to those of you who pre-register for the shoot. The shoot program will be available in an electronic (PDF) format and I will be happy to email you a copy once your pre-registration form is received and processed. The registration desk will have a 2-page general information summary of the shoot format available for review at the time of registration and throughout the weekend.
