Dear Fellow Tennessee Skeet Shooter,

It's that time of year to begin your preparations for the 2010 Tennessee State Skeet Championships. This year's event will be held August 20-22, 2010 in Nashville, TN, at the Nashville Gun Club. We look forward to seeing all of you there and **please make an effort to** bring a shooter with you.

Please review this letter and determine the rotation and gauges you wish to shoot. The TSSA board & club directors voted to organize the shoot as a 2 ½ day event with 3 rotations & 5 man squads so that the shoot could accommodate most shooter requests. In order to maximize resources we will be using a limited number of fields, and we will not open additional fields to accommodate 1st choices until all of the rotations are filled to capacity. So the key is to pre-register and do it early.

Your pre-registration on the accompanying form will expedite the service you receive in the registration line. For those of you arriving in town early; the registration desk will be open beginning just after 11:30am CST Friday. We will close registration at 6pm CST (Friday) to prepare for Doubles shootoffs. The registration desk will reopen Saturday morning sometime around 7:30am CST.

The club director's meeting that will take place immediately after shootoffs are completed on Friday night. All club directors/representatives are reminded to attend. The major agenda item (as usual) will be to discuss and vote on the location and date for next years State Shoot.

Targets will be **\$45** per 100 including all fees.

Optional Age/Team Concurrent's are honors only (i.e. SJ, TS, etc.)

The Optional Class Purse and Handicap Purses are **\$10** per 100

All optional event tables will be available for review in the shoot brochure or at time of registration.

Practice fields will be will available throughout the weekend space permitting.

Space is filled first-come first-serve based on postmark on the entry form received as long as the proper deposit has been included. Please don't wait until the last minute to submit your squadding forms, and when you send it in please make sure that all of the requested information is provided.

Even though the shoot rarely fills up 1st choices, squad requests (when not sent together) or other special requests are difficult to accommodate as the shoot date gets closer and closer. 4 gun shooters will be given priority for squadding and rotation choices, but this is not a license to be lazy in regards to pre-registering for the state shoot. On the rare occasion, single gun shooters may need to be moved or reassigned prior to the event (this is at the discretion of shoot management & only done when necessary). Feel free to contact me if you are not sure about your pre-registration status – I am more than happy to take friendly phone calls. You may also contact me via email at skeetwebdude@gmail.com with questions.

Squad confirmations and a copy of the shoot program will not go out via postal mail until around the 4th-5th of August and only for those whose entry forms have been delivered to the TSSA PO Box by the August 1 deadline. We will be using the address that is on file with NSSA.

For Pre-Registrations received after August 8th, we will do our best to send out squad confirmations ASAP prior to the shoot. At minimum a summary of received Pre-Registration's received will be posted under the **State Shoot** page of the tnskeet.org website. Time permitting, you or your main squad contact will be provided with squadding information via a phone call. A copy of the shoot program will be reserved in your name and available for pickup at the registration desk if we are unable to get it mailed to you prior to the shoot.
